STAT

SUBJECT: Request for Detail to National Security Council

REFERENCE: Request for a Detailee from NSC dtd 15 January 1987

1. Subsequent to our telephone conversation on 13 January, I asked that the National Security Council send a note documenting the request of a temporary detail to help them with FOIA matters. Formerly such matters would be passed by phone from Ms. Dix to me and then to OIS or other appropriate office. You advised that we should now clear these with [REDACTED] in the Executive Director's office.

STAT

2. I did not call the Executive Director's office on this matter and leave it to your judgement whether to pass this note on to them, send it direct to OIS, or return it to me for rejection or passage to OIS. I would hope that we can comply with the NSC's request for assistance.

SUBJECT: Request for a Detailee

We would very much appreciate the non-reimbursable detail of one of your personnel to help us out in our FOIA Directorate. We are seeking a six to nine month detail of a GS 10-13 FOIA person to aid us in facing an unexpected increase in cases.

If your FOIA office has questions reference this detail requirement, please feel free to contact Nancy Menan on: 395-5756. Nancy is our FOIA Director and she can help to explain our requirement.

As always, I appreciate the super support provided by your agency.
